Dear Ted-

I'm back at the ranch again.

It would please me to receive the Cabiza de Vaca book anytime it's convenient for you to send it. The dried parsnips are delicious! Thanks on both counts.

I hope Dale sends you a copy of the Mackey book. He's sometimes forgetful. According to his plans, he would have left his mother's by now to return to Minnesota. Otherwise, I would write to remind him.

Hope you're having a nice, quiet winter.

DAVE

Querido hermano:

Acabo de despacharte el libro de Cabeza de Vaca. Me ~~a~~ agrado de que te gustasen las pastinacas secadas.

Ya he recibido la copia del libro de Mackey. Pero dejaste de informarme de la dirección de Dale Edwards para que yo se lo pudiese pagar y agradar. Por eso, incluyo con esta carta un cheque por $5.50, que representa aproximadamente, según mis calculos, lo que le debo a Dale, y una nota de agradecimiento. Te ruego que hagas seguir a Dale uno y otra.

—Ted
